

Songs without Words for *Clarinet and String Trio*

Nicola LeFanu

1. A Far Cry (clarinet alone)
2. No Paseran
3. Catalunya!
4. In Memoriam (Remembrance)

These little songs were written over the Mayday holiday, 2005, and are dedicated to Ian Mitchell and Gemini, with love and admiration for their thirtieth anniversary.

Together the songs last about six minutes - the first three, a minute or so each, the last somewhat longer. My own music and folk music are mingled in this work, which was composed with the MANA concert particularly in mind. (Musicians Against Nuclear Arms).
